

attention: this is Jeff Weiner.

I am running an internal review for my old friends Reid Hoffman and David Sze !

never mind this message,
I am only making sure that HR is not blocking the applications as has recently been alleged by certain members of (you have) UPPER MANAGEMENT written all over you .

PLEASE ALLOW THIS APPLICATION TO BE PROCESSED IN AN ORDINARY FASHION AND YOU WILL HAVE NO REASON TO FEAR THAT YOU WILL BE FIRED

Thanks,
Jeff

hi.

linkedin as a website is one of the worst websites I have ever used.

EVER.

I would like to help you make it better.

if you ignore this statement,
I will not stop until I get the attention of your upper management or CEO.

you website sucks,
employ me to make it better.

as is, if you have revenue coming in anyway,
it is probably because no one has told you effectively that
YOUR WEBSITE SUCKS.
LINKEDIN SUCKS
YOU ARE SCAMMY

Sincerely,
urpc.ml
